## Resources

Hi Everyone,

I received a question about AC training and support today and thought I'd pass along what I found.

Some active campaign resources you might want to bookmark:

When logged in, use the help button in the lower right of the screen for context sensitive info, and a quick access to lookup answers

**Support:**

You can also schedule a 1-1 zoom mtg :

Use **Metro77073** to login and schedule a time with a CS rep from AC.

Thanks! You've been doing great with AC. Hope this helps.
